

Resource Family Conference

March 6 – March 7, 2020
The Cornhusker Marriott

Each year, KVC hosts a full weekend conference for its Resource Families and those they care for. The Resource Family Conference (RFC) is a unique learning experience where attendees are inspired by nationally renowned keynote speakers, receive continuing education, and develop an invaluable support network.

For youth in foster care and individuals with developmental disabilities, it's a fun time to make new friends. They are treated to a fun variety of developmental age-specific events such as movies, arcade games, crafts, an indoor trampoline gym, and many other planned activities.

These trainings have previously been exclusive to KVC Resource Families and are now open to all Resource Families across the state of Nebraska.

“RFC was a wonderful experience. The keynote speaker was very relatable and had so much knowledge on what we can do to become better providers to our clients and parents to our own kids. What a way to not only celebrate the children we serve but also our kids who make sacrifices so that we can continue providing the services that we do. We left the conference feeling refreshed, excited, rejuvenated, enlightened, celebrated, and supported.”
