Resource Family Conference

# Resource Family Conference

March 29 - March 30, 2024  
The Cornhusker Marriott

*"The conference was great, and we're so appreciative of being able to come. It is great for the families to get together and learn from each other as well as all the training credits and the kids have a wonderful time. Thank you to all the volunteers and donations that made this possible. I know it's a lot of work, and we want everyone to know we can't express enough THANK YOU!"*

- 2020 KVC Supported Caregiver

KVC Nebraska is a nonprofit organization that provides foster care, support for individuals with disabilities, intensive in-home and prevention services to keep families safely together, mental health and substance abuse treatment, and home and school-based support services.

KVC Nebraska hosts a two-day conference for its Resource Families and those they care for, and we anticipate hundreds will attend our 2024 event. Resource families are individuals and families approved to provide foster care services and/or care for individuals with intellectual and developmental disabilities. The Resource Family Conference (RFC) is a unique experience where attendees are inspired by nationally renowned keynote speakers. They receive continuing education, are celebrated for their commitment to quality care, and develop an invaluable support network. For youth in foster care and individuals with developmental disabilities, it's a time filled with fun and opportunities for new friends. Individuals are treated to a variety of fun-filled activities such as movies, arcade games, crafts, an indoor trampoline gym, and many other planned activities. The learning opportunities planned for caregivers have previously been exclusive to KVC Resource Families, and we are thrilled to host all Resource Families across Nebraska.
