

Participate in Our 9-Month Research Study Fostering Educational Success

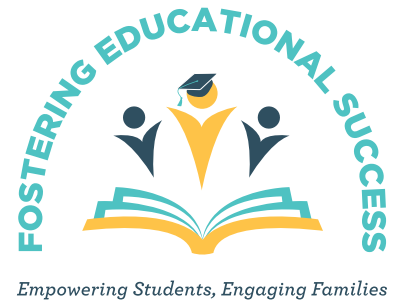

Empowering Foster Youth to Succeed Academically and Beyond

If you agree to participate, your family will be randomly assigned to the treatment group or control group. The treatment group will complete surveys and receive FES services. The control group will complete surveys and access traditional community based services. Both groups will earn gift cards for survey completion.

Eligibility

- ✓ English-speaking
- ✓ Live within 60 miles of Lincoln or Omaha
- ✓ Youth is enrolled in elementary-secondary school setting ages 7-19
- ✓ Youth has a history of foster care involvement
- ✓ Moving towards permanency of guardianship, independent living, adoption, reunification OR educational neglect cases
- ✓ Committed caregiver who is willing to participate in the FES study
